Kevin,

The information attached and below is related to the actuator retrofit/repair on your chiller.

Regards,

Sam Hanchett

Sam

Here is SI with Kinetrol retrofit information.

The 90-813634 is a 55" with standard PRV cover without PRV handwheel option.

Needs the following to change to Kinetrol

Mounting kit	381-19659-000
Actuator	024-38197-000

Also attached is the dwg that will come with kit showing how to install.
