Very Truly Yours,
Mike Forgione

Terms and Conditions:

Standard Payment Terms: Net 30 days in US currency with approved credit.

Payment for Hardware and Software: Billed and Payable at time of shipment per standard payment terms.

Payment for Optional Services: Billed separately and payable prior to commencement of services per standard payment terms.

Liability: No consequential (lost profits, use, production, etc.); above the basic product warranty.

Cancellation: Subject to payment of costs + cancellation-related expenses + 10%/price for production disruption, overhead, etc.

Additional Professional Services or Hardware/Software required as a result of changed, unclear, or additional specifications will be invoiced at standard rates.

Any additional professional services or hardware/software required during installation, training, or commissioning because of reasons beyond the control of WGS, i.e. grounding problems, field signal incompatibility, or improper installation will be invoiced at standard rates.

Standard Rates for on-site professional engineering and technical services by WGS Equipment and Controls Inc. shall be billed at \$900.00/day up to 10 hours, \$150.00/hour thereafter.

WGS Equipment and Controls Inc. shall not be liable for any delay in performance hereunder due to unforeseen circumstances or due to causes beyond its control, including, but not limited to, acts of nature, acts of government, labor disputes, delays in delivery or inability to deliver on the part of WGS Equipment and Controls suppliers

WGS Equipment and Controls Inc. shall in no event be liable for any loss of business or other incidental or consequential damages resulting from the use of the products or software or services quoted herein.

Warranties: Any Implied Warranties are **excluded** from this proposal.

WGS Equipment and Controls Inc. shall offer no additional warranties on any hardware, software, and engineering or startup services beyond the specific equipment manufacturers' standard warranties.
