**COMMERCIAL APPLIED PARTS  
MASTER PRICE SCHEDULE  
2008**

The attached Carrier Replacement Components Division (herein referred to as RCD) Commercial Applied Parts Master Price Schedule supersedes all previous price schedules issued. Please discard all previous price schedules and use the attached exclusively.

**ORDERING INSTRUCTIONS**

1. When ordering, supply the following information:  
Customer Code or Account #, Purchase Order Number, Part Number, Description, Quantity, and Shipping Instructions
2. If the part number is not known and the part is being ordered by description only, provide the model and serial numbers of the machine on which the part is to be used.
3. The all agent Replacement Components Division Customer Service telephone number is: **315-433-4226**  
  
Your all agent RCD Customer Service representatives are:  
  
Cindy Tietjen      Bill Poworoznek      Debbie Butler      Tony Vito
4. Parts orders may be:
  - Phoned in to an RCD Customer Service representative at the above telephone number.
  - Faxed to toll-free number: **800-443-4410**
  - Mailed to: **Carrier Replacement Components Division  
Carrier Parkway, Building TR-2  
P. O. Box 4802  
Syracuse, NY 13221  
Attn: Customer Service**
5. Normal business hours are Monday – Friday, 8:00 a.m. – 6:00 p.m. Eastern Time (ET). For emergencies after normal business hours, please call toll-free: **800-379-0556**  
  
Monday - Friday after 6 p.m. Eastern Time (ET)  
Weekends  
Holidays
6. To request prices for new or replacement coils (hot water, chilled water, steam or DX), please call toll-free: **800-225-2645**
7. To request prices for absorber, evaporator, cooler, and condenser tubes , please call: **315-433-4226**
8. Confirmation of a telephone order must be so marked to avoid duplication of order. If order is not so marked and is duplicated, the return is subject to standard restocking charges.
9. Orders can be designated as Regular or Emergency at time of order entry.
  - Regular orders for in-stock parts will normally be shipped in 3-5 working days. Unit ship orders can be specified whereas the order will not be shipped until all items are available for shipment. The shipment will be held until the order is complete. Requests for unit ship orders must be made at time of order entry. Otherwise, shipment of parts in stock will be made followed by backordered items as they become available.
  - Emergency orders for in-stock parts processed before 6:00 p.m. ET will usually be shipped the same day. Emergency orders processed after 6:00 p.m. ET will be shipped the next business day.

**REPLACEMENT COMPONENTS DIVISION • CARRIER CORPORATION**

**COMMERCIAL APPLIED PARTS  
MASTER PRICE SCHEDULE  
2008**

- Method of shipment originally specified by the customer will be used for back ordered items unless the customer advises of a change.
10. If backordered stock items are no longer required, contact RCD Customer Service to request cancellation approval. Once verbal approval is obtained, a cancellation request should be faxed to RCD Customer Service **(800-443-4410)**. In most cases, the part(s) can be cancelled with no incurred charges. Cancellation of special order parts, non-stock and direct ship parts will be handled on an individual basis subject to our Cancellation Policy.

**SHIPPING**

Terms of shipment for Regular orders are "FOB shipping point, normal freight prepaid and allowed". Premium transportation charges such as air freight, bus, exclusive truck, etc. will be billed extra. Terms for Emergency orders are "FOB shipping point, freight prepaid and billed" or "FOB shipping point, freight collect" at customer's option. There will be no adjustment to recognize normal transportation costs that might otherwise have been prepaid.

**RETURNS**

Parts shipments should be accepted in instances where they're no longer required and then be returned for credit (see below). Damaged shipments **must be accepted** and a freight claim filed with the freight company. (Terms are "FOB shipping point")

Prior authorization **must** be obtained before returning any part for credit.

- Customer may request the return of new and unused parts by submitting a list to RCD Customer Service. Only stock parts will be eligible for return. Normally, the return of special order and non-stock parts will not be allowed.
- Approval will be given to customer within 30 days. Return material must be received by RCD within 90 days after approval.
- After approval, Return Material Form R-12 will be mailed to the customer with the required information. The form will indicate what material is approved for return and/or for field scrap, required receipt date and where to ship the material. **Please do not return material without first receiving this authorization form and including it with the shipment. Parts received without the Return Material Form R-12 will result in denial of credit.**
- Credit schedule (days from supplied invoice date to date of return request) for returned material will be based on the following: One (1) to ninety (90) days, 20% restocking charge. Beyond ninety (90) days, credit will be issued at the discretion of RCD.
- Parts must be new, unused and in the original container. Any parts received that are not suitable for restocking will be disposed of at RCD and no credit issued.
- Line items with an extended price of less than \$50.00 will not be eligible for return.
- Freight must be prepaid.

**EXCHANGE PARTS**

- Prior written authorization **must** accompany the return of all exchange parts. Return Material Form R-12 will be issued by RCD Customer Service.
- Return of Blade Ring cores for credit will be at the discretion of RCD. Contact RCD Customer Service for current exchange price.

**REPLACEMENT COMPONENTS DIVISION • CARRIER CORPORATION**

**COMMERCIAL APPLIED PARTS  
MASTER PRICE SCHEDULE  
2008**

- Exchange part is invoiced at the master price. Inoperative exchange parts must be returned on Return Material Form R-12 in order to receive exchange credit. RCD reserves the right to refuse credit for inoperative exchange parts.
- Exchange parts sold are not necessarily new or made wholly of new material, but they carry the same warranty and have been re-manufactured as if new. The above parts may be recycled or may contain recycled parts. Any such recycled parts meet or exceed new part specifications.

**CANCELLATION POLICY (For Special Order Items, Non-stock and Direct Ship Items)**

Cancellation of an order prior to shipment is subject to the following cancellation policy:

<u>Cancellation Date (Working days from order date)</u>	<u>Cancellation Charge (%)</u>
0 – 5 days	10% of order value
5 – 10 days	20% of order value
10 days - 50% of quoted lead time days	50% of order value
Greater than 50% of quoted lead time days	100% of order value

Note: For expedited orders, emergency orders, and special orders other than those listed above, 100% cancellation charge will apply.

**GENERAL**

The prices shown are MASTER PRICES and are not intended to reflect a recommended resale price level. TRADE LEVEL NET (your cost) price may be obtained by using the MASTER PRICE MULTIPLIER provided separately with this schedule. (MASTER PRICE X MASTER PRICE MULTIPLIER = Your Cost)

All prices are for one (1) piece. Standard packs are shown as noted on the price pages and priced per piece. The number of pieces included in the standard pack is noted in the STD PK column.

Federal, State, Local or other taxes are not included in the prices shown.

All prices are subject to change without prior notice.

Special or Non-Inventory items are subject to cancellation charges.

Terms of payment are Net 30 days from date of invoice. COD shipments over \$2500.00 will be shipped requiring a certified check or money order. Major credit cards may also be used for payment.

All parts shown in the Price Schedule are subject to prior sale.

**WARRANTY**

Carrier warrants the replacement part to be free from defects in material and workmanship under normal use and proper maintenance for a period of one year from date of shipment. This warranty does not include labor or other costs incurred for diagnosis, repairing, removing, installing, shipping, servicing or handling of either the defective part or the replacement part. Nor does this warranty include costs incurred as a result of or associated with refrigerant loss. If the part is used as an in-warranty replacement, it then assumes the unused portion of the original warranty. Carrier will replace or repair the defective part without charge for the part itself. Contact the Replacement Components Division, Customer Service for complete warranty policy.
