

UPCOMING INSTRUCTOR LEAD TRAINING CLASS REPORTS

A path to the upcoming training from the Buildings Product & Channel Learning SharePoint home page at <https://my.jci.com/sites/BESalesOpsLearn/BESalesOpsTech/>

Click on upcoming Training in the left column or on the **read more** in the Upcoming Training box at the center bottom of the page.

Then click on the words in red **full schedule here**. This will open the current excel spread sheet with the class names, class numbers, class size and the number of empty seats in the class. This report is updated every Thursday afternoon. Please Share with all JCI employees.

The screenshot shows the Excel Online spreadsheet titled 'Employee Classes FY 2017'. The spreadsheet is organized by quarter and date range. The data is as follows:
