Subject: YR Chiller OptiView Control Center Foreign Language Flash Card		

On/about September 2001, new YR chillers equipped with CE version control centers will contain Flash Memory Card version C.MLM.05.01.200 (**Part Number 031-02068-002**).

This Card will allow the Display Screens to be displayed in either English, French, Italian, German or Hungarian language. This Card is also available from the Baltimore Parts Distribution Center for retrofit to existing YR chillers.
