Subject: YT Compressor Equalizing Line Solenoid Valve		

PART NUMBER INFORMATION

The YT Compressor Equalizing Line Solenoid Valve (refer to item 96, Form 160.45-RP2.2, Figures 2 and 2A) is now available as two separate components: the valve body and the actuating coil.

The part number for the valve body will remain the same, 025-28988-000. The part number for the coil is 025-28989-000. **THERE WILL NO LONGER BE A PART NUMBER FOR THE COMPLETE VALVE ASSEMBLY.** If it is necessary to replace the complete valve (both the valve body and the actuating coil) you will need to order **BOTH PART NUMBERS**.

WIRING INSTRUCTIONS

Wiring instructions for installing the solenoid valve actuating coil are included with the part.
